Team Roles

Team Manager

The role of the Team Manager was introduced last year and proved to be a great success for each of the regions. This role was introduced to assist the regions by having a main point of contact at the event who will also be responsible for registering their gymnasts and in turn reducing the congestion at the British Gymnastics Accreditation Desk. Team Managers will be based at the regional desks near the gymnasts and coaches entrance (Entrance E) and will be given a list of the gymnasts attending orientation to register (as attending) and also competing (by flight) each day to and accredit upon arrival for their competition. Coaches are required to report to the British Gymnastics Accreditation Desk, located to the right of the regional desks, to register upon arrival. Team Managers should work with the appointed Team Chaperone (s) to deliver the gymnasts by flight, to the Warm-Up Hall at the times detailed on the competition schedule and notify the Accreditation Desk of any withdrawals. This is a very important role and will greatly assist with the smooth running of the competition.

To ensure and manage the accreditation effectively, please ensure gymnasts are informed to arrive in time for the registration 'slot' detailed on the timetable for their flight.

Please note, it is crucial that only the gymnasts on the list are accredited, as the Team Managers will be issued with the exact number of wristbands required for each day. In addition, it's imperative that all registration documentation is returned to the Accreditation Desk before the end of each flight's registration time, to prevent Clubs from being charged a non-participation fee as stated in the Trampoline & Tumbling Competition Handbook 2018.

Duties:

- To man the regional desk located at the gymnast and coaches entrance from orientation training on Friday to the last flight has registered on Sunday
- Ensure gymnasts know which region they are representing
- Register gymnasts on arrival for both orientation training and competition
- Distribute gymnast's accreditations once registered on the day of competition
- Inform the Team Chaperone of gymnasts who have been registered and of any withdrawals in order for them to update the Accreditation Desk
- Liaise with the Team Chaperone to arrange collection of gymnasts from the entrance to take them down to the Warm-Up Hall. In addition ensure responsible adults are also informed of as to the location for collecting gymnasts after competition (Concourse level).

Please note the Team Manager and Chaperone will only be permitted to access the gymnast / coaches entrance and Warm-Up Hall, not the Field of Play.

Name(s): Harriet Curtis

Where this role is fulfilled by different people over the weekend, the Team Manager's accreditation should be handed back at the Accreditation Desk to be passed onto the relevant person.

Team Chaperones

The role of the Team Chaperones is to liaise and support the Team Manager.

Duties:

- To arrange collection of gymnasts from the gymnast and coaches entrance and lead them to the Warm-Up Hall, where their coaches from the region will be located (route can be shown in **Appendix 1**)
- To deliver gymnasts back to their responsible adults, at concourse level at the agreed times
- To inform the Accreditation Desk of all withdrawals / changes to teams

Please note the Team Chaperones will only be permitted to access the gymnast / coaches entrance and Warm-Up Hall, not the Field of Play.

Name(s): n/a

Where this role is fulfilled by different people over the weekend, the Team Chaperone's accreditation must be handed back to the Accreditation Desk, and the new official will need to collect upon arrival.

Coaches

Please find below a list of coaches from your region.

Coaches will be required to report to the British Gymnastics Accreditation Desk on arrival to collect their accreditation. Should a coach arrive who is not on the list below, please also ask them to report to the Accreditation Desk so we can carry out the necessary checks.

Please note, accredited coaches will have access to both the Warm-Up Hall and Field of Play, however the following coach ratio will apply:

TRA: 8 coaches (4 FOP & 4 Warm-Up Hall)
TUM: 8 coaches (4 FOP & 4 Warm-Up Hall)
DMT: 4 coaches (4 FOP & 4 Warm-Up Hall)

Gymnasts

Please find below a list of gymnasts competing from your region, by flight.

Gymnasts should be signed in at the regional desk and issued with their accreditation on the day of their competition. At the correct warm-up time, gymnasts should be taken to the Warm-Up Hall by the Team Chaperone to meet their coaches. Parents & Spectators

Responsible adults / guardians are required to arrive and transfer responsibility to the Regional Team Chaperon at the gymnasts and coaches entrance (Entrance E) and then proceed to use the designated spectator entrance (Entrance F) for orientation training and on days of competition. When gymnasts have finished competing, responsible adults / guardians are required to meet gymnasts at concourse level, not at the regional desks. The Team Chaperone will lead gymnasts back to their responsible adult / guardians if required. This is to prevent the area where the regional desks are located from becoming too congested, and ensure this area is only accessed by accredited persons.
